Demons will reign over All

The 1982 cross-country season was another exciting one for Tolt High School. The team improved their times at every meet as they strived to qualify for the State Meet. Colin MacKenzie and Dan Kasper were the senior leaders of this years team. Freshmen Joe Galusha and Doug Holtan gave the team additional depth. This was certainly a team that demonstrated dedication, courage, and success for Tolt High School athletes.

GIRLS CROSS-COUNTRY

The 1982 girls' cross-country team was led by Cathy Studer, who set an example by training hard and competing well in all our meets. Running with Cathy were seniors Shelly Otness and Tami Earlywine, course companions with Cathy since their freshman year. Our younger runners improved steadily throughout the year, showing the rest of the Cascade League that Tolt's girls can run up hills and in the rain, and can match the competition on any terrain.

CHEERLEADERS!

REMEMBER WHEN . . .

This years team saw the most people ever to participate in the Tolt Volleyball program. Tolt had 45 people involved on the team: Melissa Macneill, Nina Aguilar, Diana Johnson, and Emily Rosenbach. Melissa, Nina and Diana completed four years of play for Tolt while Emily was a first year player. With so many returning players coming back next year, Tolt can look forward to a bright future in Volleyball. Thanks to the seniors for the efforts they gave this year.

J.V. VOLLEYBALL

The junior varsity girls volleyball team underwent tremendous improvement during the course of the season. Girls completely inexperienced and with minimal skill level at the beginning of the season saw themselves make rapid gains with each match. By the end of the season many girls had qualified themselves for next year's varsity team, making this year's season a success.

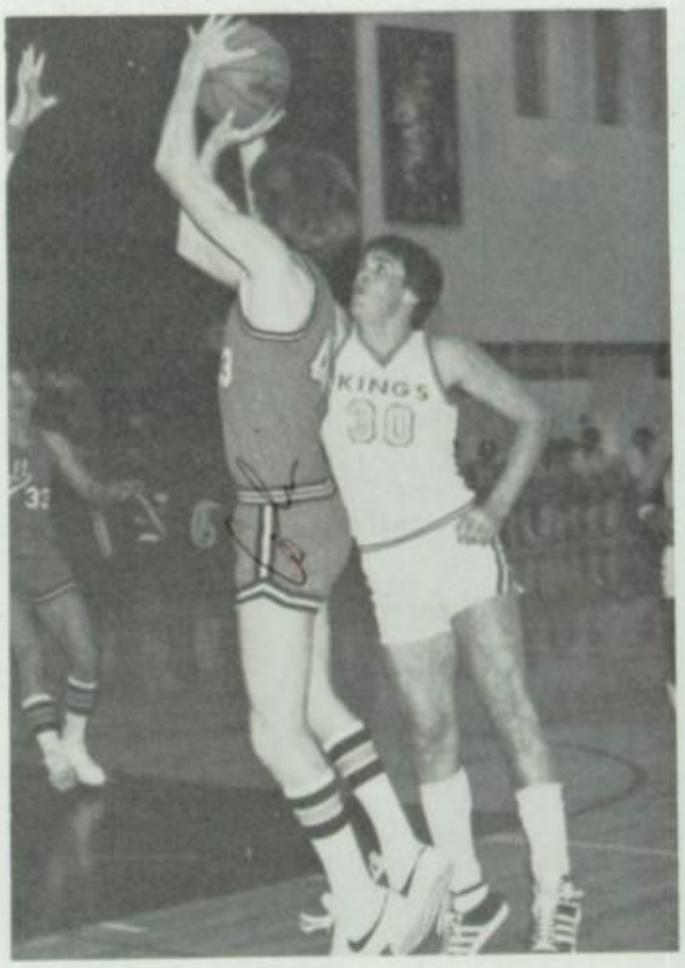
WINTER ACTIVITIES

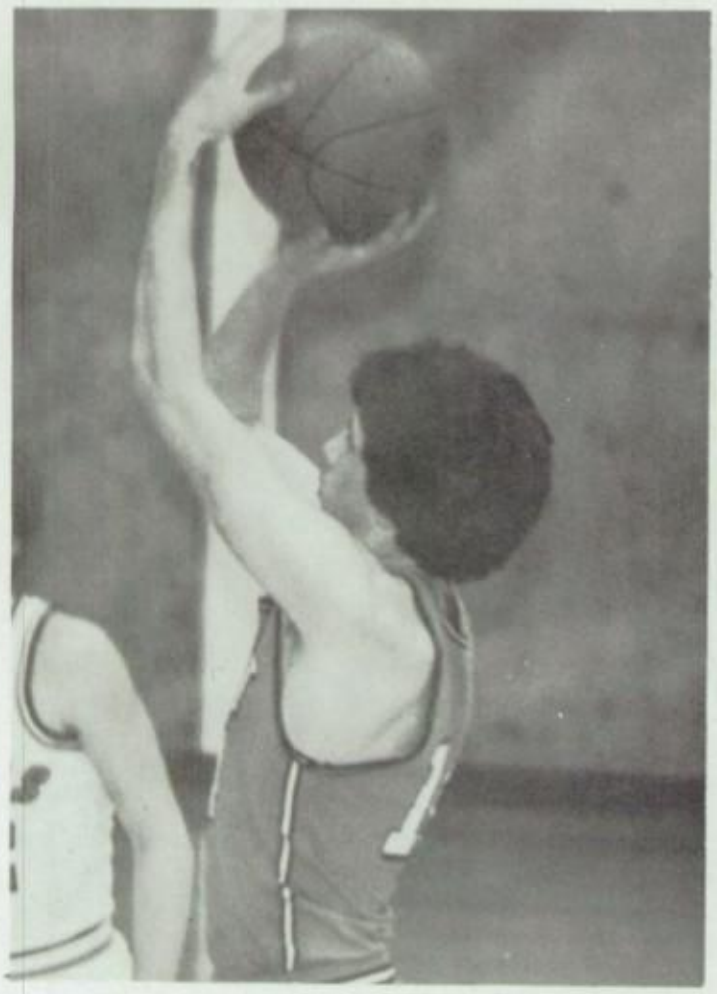
Coach Thompson, S. Wallace, D. Vassar, T. Loutis, M. Macneil, D. Davidson, R. Andersen, Manager-T. Jacobson, J. Dockery, C. MacKenzie, C. Johnson, B. Barrie, T. Anderson, N. Freeman, Coach Collard.

VARSITY BASKETBALL

The boy's varsity basketball team went to the district playoff for the third year now. After experiencing ilness and injury in the early going, Tolt "came together" after mid-season and became a contender with the taller Whatcom County teams. Coupled with an extremely good attitude, Tolt's intensity and desire proved beyond doubt that Tolt has become a force in the Cascade League.

Coach Collard





This years J.V. team was lead by by sophomores Tom Shives, David Remlinger & Erich Studer. They completed a winning season and were competitive throughout the year. Three freshmen also contributed to the success, Alfons Schoenbachler, Scott Anderson, & Chris Dudek-of course all of the boys who participated are responsible to the team's success this year.

VARSITY BASKETBALL

In what many people called a "re-building year" in the girls program, the team reached a competitive level quickly and again made Tolt one of the top teams in the Cascade League. Much was due to the presence of senoirs Emily Rosenbach and Melissa Macneill, who helped the team with their scoring, rebounding, and leadership. Thanks to the returning players for their hard work in building a stronger and more competitive girls program. In looking back at this team, I will remember them for the goals they reached and the fun we shared.

Coach Wusterbarth

The Junior Varsity did a great deal of work this year building for the varsity team. They will be important members of the varsity program. Their enthusiasm and personalities have made my coaching a GREAT EXPERIENCE.

The wrestling season was a success from the standpoint of individual improvement. Brian Ferrill, Steve Ferrill, Ewart Grove, Sean Walker, Dave Kruse, Bill Sinnema, & Jason Tolman made up the squad. They all worked hard to improve themselves, and help their team.
